

1 September 2015

Following our first ***Art of the Possible listening event on ADHD and Autism***, which took place in April 2015, we are holding a second listening event in order to demonstrate how your input has impacted upon the Eastern Cheshire neurodevelopmental service plan. We are also very keen to hear what you think before the plan is implemented.

The event will be held at New Life Church, West Road, Congleton, CW12 4EY, taking place between 10am and 2pm on Tuesday 1 September.

The listening event will be split into three sessions, which will be largely the same, so you can choose to attend one session, but are equally welcome to stay for the whole day. The day will be structured as follows:

10am-10.15am
10.15am-11am
