## From Chester Railway Station / Bus Interchange

If travelling by train, get off at Chester Railway Station. The railway station is a short taxi ride to Axia. There is a taxi rank outside the train station.

Alternatively, you may wish to get the bus from Chester Bus Interchange. This is around a twelve minute walk away from the railway station. If you would prefer not to walk, you can get the X4 Mold bus from stop S4 at the railway station which will take you to Chester Bus Interchange. This takes around 4 minutes.

From here, you should get the number 22 bus (for West Kirby) and get off at the Fiddler's Lane bus stop. This will take around ten minutes. You will pass the Axia building just as you are pulling into this bus stop. Please take care when crossing this road as there is a 50mph speed limit.

There is a long red brick wall with grey gates outside our building.

## What to do if you Arrive Early

If you arrive early for your appointment, you may wish to:

- Wait in The Wheatsheaf Inn (next door), where they serve tea, coffee and food. We have a good relationship with the staff there and they are happy for our guests to use their facilities
- Go to a nearby café. Turn right out of our gates and follow the road to the BP garage, Starbucks and Subway are located behind the garage and Greggs is inside the garage itself
- Wait in your car in the car park
